Schneider
In Collaboration with AVEVA
GO GREEN
A Global Student Competition
WHAT IS SCHNEIDER GO GREEN?

- A global university student competition to learn from & network with experts.
- The competition aims to discover bold, smart and sustainable ideas for the future.
- An opportunity to develop yourself and the chance to win an international trip.
CHOOSE FROM FIVE CATEGORIES
ACCESS TO ENERGY
Enable universal access to energy in an environmentally sustainable manner.

HOMES OF THE FUTURE
Can buildings be smarter, more sustainable and incorporate new technologies?

PLANTS OF THE FUTURE
Apply IoT, AI, Machine Learning and more to the industries of the present or future.

GRIDS OF THE FUTURE
Imagine the future of energy management and distribution!

DE(CODING) THE FUTURE
Envision future approaches to design, engineering and construction of assets and infrastructure.
An example of an idea presented by one team of Spain for the 2020's edition of the competition.
