

Enrolment information for InnoEnergy students

InnoEnergy students linked to the UPC Master's Degree in Energy Engineering have to perform 60 ECTS at the UPC during their first or second year depending on the syllabus that they are studying to get the Degree certificate of the UPC.

Students linked to the UPC Master's Degree in Nuclear Engineering have to perform 60 ECTS at the UPC during their first year.

It is not possible to carry out subjects of the other master's degrees of the ETSEIB or the other masters at the UPC. The regulations of the Master's degree in Energy and Nuclear Engineering do not include the option to carry out subjects of the other master's degrees.

The academic course is structured in two periods, Fall and Spring semesters. Therefore, there are two periods of enrolment during the course: in September (Autumn semester) and in February (Spring semester). This academic year, both enrolments are online through e-Secretaria.

The **ONLINE** enrolment for InnoEnergy students will be next **September 8**. You can check your enrolment time in your e-secretaria.

Classes start on Thursday, **September 14**.
