|                                                            | https://etseib.upc.edu/en  
|                                                            | https://www.upc.edu/sri/en/students/students-mobility-office/incomings |

#### Requirements

| Study requirements                                             | Exchange students can take courses listed on the course catalogue for exchange students  
|                                                            | https://etseib.upc.edu/en/mobility-students/timetables-2  |

- Some courses required a Bachelor of Engineering
- Some courses required a previous knowledge in the field of the course.
- The availability of places is limited in some courses.

**Language Proficiency**

The language of instruction are Catalan, Spanish or English depending on the courses chosen (learning agreement).
Minimum level required in English: B1
We strongly recommend that students have a good B1 Spanish level.

**Nomination and Application**

| Deadlines          | Nomination          | Autumn semester – From 1 April to 31 May
|                   | Spring semester – From 15 October to 30 November |
|                   | Application         | Autumn semester – From 1 April to 1 June
|                   | (Annex 1)           | Spring semester – From 15 October until 1 December |

**Procedure**

- Nomination
  - We can only accept nominations from institutions with a current exchange or double degree agreement with the ETSEIB.
  - Partner institutions must nominate students sending an e-mail to incoming.etseib@upc.edu
  - Students have also to upload a nomination letter in the online application.

**Notice of Acceptance**

- The admission decision will be sent to the students during 3-4 weeks approximately after the application deadlines.
- Students will receive an admission e-mail. They will have to accept the candidature through online application.
- Also they will receive an admission letter by mail. Only students who need to apply for a visa will receive an original copy of their admission letter by post.

**Academics**

**Academic Calendar**

https://etseib.upc.edu/ca/estudis/calendaris
## Workload

Exchange students need to perform within 15 ECTS and 30 ECTS per semester. It can be:

- Courses - the list of eligible courses for incoming mobility
- Final Degree Project or Master's Thesis - 30 ECTS
- Research Assignment for exchange students - 15 ECTS

We reserve the right to decline applications from students who have only very recently started studies with the sending institutions and have not yet been able to establish solid academic records there.

## Courses

Students must choose ETSEIB courses in the online Course Catalogue depending on their previous academic background and their qualifications.

https://etseib.upc.edu/en/mobility-students/timetables-2

## Restrictions

It is not allowed to take courses not included in the list above (incoming mobility-complete list).

Remember: some courses required a Bachelor of Engineering or/and a previous knowledge in the field of the course. The availability of places is limited in some courses.

## Research assignment (15 ECTS)

During the admission process, students can check this link to find topic and supervisor.

https://etseib.upc.edu/ca/lescola/departaments-i-recerca

It is mandatory to have a supervisor to be admitted. Students can inform the name of the supervisor through online application or by email incoming.etseib@upc.edu

**BEFORE the day of the enrolment**, students will have to make the register of the topic in "Project-New project registration"

Calendar:

https://etseib.upc.edu/ca/estudis/calendaris
**Master's Thesis (30 ECTS)**

During the admission process, students can check this link to find topic and supervisor.
https://etseib.upc.edu/ca/lescola/departaments-i-recerca

It is mandatory to have a supervisor to be admitted. Students can inform the name of the supervisor through online application or by e-mail incoming.etseib@upc.edu

**BEFORE the day of the enrolment**, students will have to make the register of the topic in “Project-New project registration”

Master’s thesis has to be defended in the host university following their regulations regarding to the direction and presentation. **It is not allowed to carry out the presentation from a distance.**
Calendar:
https://etseib.upc.edu/ca/estudis/calendaris

---

**Learning Agreement**

Students must fill the [online learning agreement](https://guiadocent.etseib.upc.edu/learningAgreement/profile/default/form/learningAgreement?lang=en) choosing courses depending on their previous academic background and qualifications. It has to be sent to us during the admission period (before deadline).

The approval of the learning agreement is conditioned to the availability of places of the courses requested. It will be confirmed definitely at your arrival, after the enrolment.

---

**Double degree students**

Double degree students has to follow the itinerary of the master’s degree selected. Before the enrolment, the study programme will be defined together with the Vice-director for Internationalization.

---

**Welcome days at the ETSEIB**

It takes place in September and in February at the ETSEIB.

---

**Enrolment and documentation**

There are two enrolment periods.

- September – Autumn semester
- February - Spring semester

**Before the day of the enrolment:**
- Students will have to access to the e-Secretaria to select the corresponding authorizations (LOPD Authorizations)
- Students will have to deliver the required documents.
  - Nomination letter of your home university
  - Transcript of records
  - CV or Résumé
  - Copy of passport or ID
  - Copy of health insurance certification
  - UPC form (Responsible statement of insurance) filled and signed
  - Certificate of enrolment at home institution
  - Original admission letter (only non-EU students)
  - Learning agreement signed and stamped (original and copy)

### Exams
Please, take into account that exams, master thesis or research assignment cannot be change and taken at distance.

### Transcript of Records
Transcripts of records are available at the latest 5-6 weeks after the end of the examinations sessions.
It will be send to the sending exchange coordinator/contact person by e-mail.

### Certificate of attendance
It is necessary to request it at International Relations and Admissions Office before leaving.

**Any certificate of stay will NOT be send to the home university after the exchange student has left.**

### Grading System
For information about the grading system at UPC, see: https://www.upc.edu/sga/ca/shared/fitxers-normatives/AcademicRegulations_EN/NAGRAMA/nagrama-18-19_en_definitiva.pdf
The transcripts of records obtained reflect the name of the subjects in English, the ECTS grades and local grades.
